

A night photograph of the Williamsburg Historic District. The sky is filled with numerous curved star trails, creating a sense of motion and time. In the foreground, there are several historic buildings, including a large brick building with a prominent chimney and a smaller building with a white balcony. The buildings are illuminated from below, casting a warm glow. A large tree is visible on the left side of the frame. The overall scene is a blend of natural beauty and historical architecture.

THE CITY OF WILLIAMSBURG'S
VISION FOR 2040

A nighttime photograph of historic buildings in Williamsburg, Virginia. The sky is dark blue with numerous white star trails. The buildings are illuminated with warm yellow light. A large tree is visible on the right side of the image.

One Williamsburg that
is courageously leading,
innovating a modern
city, prioritizing safety
and wellness, engaging
with our partners, while
connecting with the world.
